COOPERATIVE SOCIETIES : EXECUTION : STAFF : RECOVERY OF COST
BY WAY OF EXECUTION FEES : REGISTRAR'S REPORT FOR 1947-48 :
RECORDED.

From
Sri Rao Bahadur J.C. Ryan, M.A.,
Registrar of Co-operative
Societies, Madras.

To
The Secretary to Government,
Development Department,
Fort St. George, MADRAS.

No. Rc.58794/48-L dated 14th August 1948.

Sir,

Sub: CO-OPERATIVE SOCIETIES - Execution - Staff for execution work - Recovery of cost by way of execution fees - Report for 1947-48.

Ref: G.O. (Ms) No. 4391 Dev. dated the 10th September 1947.

In the G.O. cited, I have been asked to review the position of income under execution fees, and the cost of the staff incurred on account of execution work, for the year 1947-48. A comparative statement showing the number of execution petitions received, execution fees collected, services rendered, cost of the staff, etc., for the years 1945-46, 1946-47 and 1947-48 is furnished below:-

Financial Year	No. of E.Ps received	No. of E.Ps disposed of	Execution fees received.	Services rendered	Cost of the staff	Excess or deficit.
			Rs	Rs	Rs	
1945-46	7981	10,453	45,115	50,895	56,082	- 5,187
1946-47	5672	6,995	40,634	39,831	38,724	1,804
1947-48	6185	6,008	40,614	38,386	41,126	- 2,740

2. During the year 1947-48 there has been a fall in the amount of services rendered, though the number of Execution Petitions received during the year has increased a little. In most of the cases filed for execution, the amount due in the execution petitions are collected by the decree-holder societies, even before the issue of processes, and in the remaining few cases, the amount is being collected before the sales are conducted. It is only when sales are conducted, the income to Government under execution fees, by way of poundage, will be greater.

3. The cost of the staff maintained during the year 1947-48 has exceeded the amount of services rendered by Rs. 2,740. This deficit has occurred in districts, where the territorial scheme is not in force. In spite of the fact, that the minimum staff of one sale officer and a peon has been maintained only during a few months of the year, when there was absolutely need for the staff, the cost of the staff could not be fully met from the fees earned. In my letter No.1994/48-L dated 13-4-1948, I have explained the circumstances in which it is necessary to maintain a minimum staff of one sale officer and 2 peons in each district, even though the amount of fees earned may not be quite sufficient to meet the cost of the execution staff. The deficit in the execution fees earned during 1947-48 is, however, only a small percentage (6.7 per cent) of the cost of staff and this will have to be borne by Government as part of cost of administration of the Department.

4. As the execution fees earned is still not sufficient to cover the cost of the staff maintained, I have been continuing the enhanced rate of 25 per cent of execution fees for another year from 1st July 1948.
